TERMS AND CONDITIONS

- One Year.** The Applicant must have completed the home study and be ready for a referral within one year of signing the Adoption Agreement. If not, a new agreement with payment may be required to ensure the Applicant intends to proceed with the adoption. After your home study is completed, if the Applicant puts the process on hold or there is no meaningful client activity for over a year, New Beginnings (NB) can request a new agreement and a review of Client's eligibility for the applied program, fees may apply.
- Best Practice.** NB strives to ensure that inter-country adoptions are in children's best interests and seeks to prevent the sale, exploitation, abduction, or trafficking of children. Payment for a child or an inducement to release a child for adoption is strictly forbidden. NB does not compensate any individual providing adoption services with an incentive fee or fee contingent on each child located for adoption. NB's employees, coordinators, and prospective adoptive parents are prohibited from giving money, gifts, bribes, or other consideration directly or indirectly to any person or entity, including any biological relative or caregiver of a child, as payment for a child or as an inducement to release a child for purposes of adoption.
- Fees Paid to NB.** In addition to the adoption services provided, the fees represent the cost of personnel, training, and operational expenses such as rent, insurance, equipment, supplies, accreditation, and licensing. NB may also use revenue from fees for program development or other humanitarian aid projects at its discretion. The fees indicated are stable and reliable. However, fees for services may be subject to change if unexpected complications arise during the adoption process. NB will notify the Applicant of any change in its fees and the payment schedule. A foreign authority may increase its fees without warning.
- Payments to New Beginnings.** The Applicant agrees to pay the fees according to the terms described in the Adoption Expense Disclosure. Unless otherwise indicated, payments are due when billed. If a payment listed in Expense Disclosure is more than 45 days late, NB can suspend services until the Applicant becomes current on all existing payment obligations. If a payment is more than 90 days late, it shall constitute a breach of the agreement, and NB shall have the option to terminate services. Services would not be suspended if it would place a child in imminent danger or not serve their best interest.
- Release.** As part of the adoption process, the Applicant consents to release personal and background information required for the home study and the foreign country. The Applicant permits the agency to contact references and family members if needed. If requested by NB, the Applicants will sign a release to allow the agency to speak with their doctor(s), counselor(s), psychiatrist(s), psychologist(s), social service agency(s), financial institution(s), employer(s), and clergy. NB, at its clinical discretion, may request the Applicant to obtain independent evaluations, counseling, or treatment as part of the home study or the adoption process.
- Full Disclosure.** The Applicant is required to fully disclose throughout the adoption process information about current or past medical treatment, counseling, substance abuse, child maltreatment, violation of laws, arrests, financial status, all previous home studies, or home studies that were initiated but not concluded, or other relevant aspects of family background. Providing misinformation or withholding information can be grounds for terminating the adoption process. NB will require clearances and information on other persons living in the home.
- Confidentiality.** All NB records concerning adoption are confidential. Only staff and persons authorized by the regulatory government agencies would have access to such records. Identifying information would not be given to other agencies, natural parents, adoptive parents, or other individuals unless authorized by the persons concerned or ordered by the proper court. Non-identifying information will be made available to all concerned.
- Change of Circumstance.** The Applicant must notify NB immediately if a change of circumstance may affect your status with NB, USCIS, or the country of adoption. This includes but is not limited to: pregnancy, concurrent placements, change in residence, change in employment, change in medical condition, change in emotional or mental health, a significant change in financial security, arrest, an allegation of child abuse, legal action filed by or against you, changes in marital status, difficulties in your marital relationship or relationship with a significant other, addition of a person into your home or death or departure of anyone residing in your home.
- Social Services.** For Applicants residing in a state NB is licensed, NB will conduct the home study and post-placement services. If the Applicant resides outside of NB's service area, NB, in cooperation with the Applicant, will select a Local Home Study Agency to conduct direct social services. The Applicant understands and consents to the professional exchange of their information between NB and the local home study agency.
- Kafala Program.** Morocco is a kafala program. Families must be practicing Sunni Muslims. In being given guardianship of a child or kafala, you agree to raise the child in this religion. Moreover, in retaining the child's cultural and religious heritage, the child must retain their first name.
- Approval.** The Applicant understands that the home study may not be approved. Moreover, NB's approval does not guarantee other independent parties in the adoption process will agree. Upon home study approval, NB will prepare or cause to prepare a dossier to present to the cooperating agency or foreign agency for their consideration of the Applicant. NB will provide the approved home study to US Citizen and Immigration Services (USCIS) for their consideration of the Applicant.

12. **Denial.** If NB denies the Applicant, NB shall furnish a written statement stating its reasons. The Applicant shall have the opportunity to discuss the decision with the Director of Social Services. The Applicant has the right to an administrative fair hearing. If NB denies an Applicant based in part on an indicated child abuse or maltreatment report, the Applicant has a right to a fair hearing regarding the report. The request must be made within 90 days of receiving the written denial notice. (See Disclosures, page 10.)
13. **USCIS Approval.** The Applicant agrees to monitor their USCIS expiration date and apply for renewal 90 days before the expiration. Also, the Applicant's fingerprints must be current to secure the child's visa. Failure to renew timely may result in the Applicants having to re-apply to USCIS or could cause a delay in the child's visa.
14. **Child's Background Study.** For the child's referral (sometimes called the assignment), the foreign service provider will present the child's background study to the Applicant for consideration of the adoptive placement. The referral is made by the Central Authority or Foreign Service Provider. The Central Authority or Foreign Service Provider provides background information, makes referrals, and arranges other adoption services. NB is not authorized to conduct an independent investigation, assessment, or evaluation of any child; however, NB will request additional information from the Central Authority or Foreign Service Provider on the Applicant's behalf or if essential information is missing. It is to be expressly understood that NB cannot represent nor guarantee the accuracy of the information provided.
15. **Communication with the Orphanage.** The Applicant agrees not to contact directly or through a third party, another person, or an institution that cares for the child or otherwise arranges the kafala process before accepting the referral. After the acceptance, direct communication with the NB facilitator to prepare your itinerary is permitted.
16. **The Child's Information.** The Applicant agrees that the information provided on the child is the child's information. Their information is private and to be respected. The Applicant agrees not to publish photos, names, identifying information, or personal information on referred children by or through electronic or print media, unless password protected, until after an adoption certificate is issued. Until the adoption certificate is issued, the Applicant has no legal relationship with the child.
17. **Post-Adoption, Post Placement Supervision.** For Morocco, NB requires four post-placement reports in the first six months and every three months until finalization. Report requirements include the child's medical and family photos. For states in which NB is licensed, NB will provide the Post-Adoption or Post Placement Supervision required by NB, the State of residence, and the foreign country. For families living outside of NB's service area, the family agrees to comply with the requirements of NB, the local home study agency, State or residence, and the foreign country. (Post-adoption services are done when the adoption is finalized in the child's country of birth. Post-placement is when the Applicant finalizes the adoption in their State of residence.)
18. **Notify.** If there is a difficulty with the adoption, the adoptive parent(s) must notify NB. NB will provide additional support, including but not limited to home visits and direct counseling. NB will recommend independent adoption consultants, therapists, psychiatrists, medical professionals, financial experts, and developmental and educational services. NB may request waivers to speak directly with persons involved or assist the family. If the family is currently working with any independent professionals, NB may seek the release to talk to them. If needed, NB will offer respite care. NB reserves the right to charge the adoptive family fees for such services.
19. **Disruption/Dissolution.** If, after counseling and due consideration, it is decided that it is in the child's best interest for the adoption to be dissolved NB will find or help find a replacement family for the child. AT NO TIME is the adoption to be dissolved or the child placed in the care of another family without first contacting NB to notify them there were difficulties with the adoption and only with NB's cooperation in the dissolution decision and process. If the adoption has not been finalized, it would be a DISRUPTION. In a disruption, NB will facilitate childcare or any other social service and identify an alternative placement. If the adoption has been finalized, it would be DISSOLUTION. In a dissolution, NB would assist in the legal termination of the adoption. In a Disruption or Dissolution, the Adoptive Parent agrees to be financially responsible for the child's care and **will provide all maintenance and support for the child** until another adoptive placement is arranged and a permanent home is secure. Maintenance and support would include but are not limited to the child's medical, dental, and psychological needs, the continuation of services and schools, clothing, and supplies, and paying for respite care or other provisions until there is another placement or permanency arrangement. If respite care or foster care is required, the Adoptive Parent must pay for this, including fees associated with NB's supervision of the care. In determining an alternative placement, the child's wishes, age, and length of time in the current placement will be considered.
20. **Under No Circumstance** is the Adoptive Parent permitted to return a child to their country of origin without NB's express authority and the Central Authority or the Foreign Service Provider in the country of origin. If a child is sent to their country of origin, the Adoptive Parent is responsible for arranging the return, the child's safety, and travel expenses. UNDER NO CIRCUMSTANCES IS THE ADOPTIVE PARENT TO FIND A REPLACEMENT FAMILY AND DISRUPT OR DISSOLVE THE ADOPTION ON THEIR OWN.
21. **Respect in Communication.** NB's staff and the Applicant have a shared responsibility to treat each other with respect in all communications. NB will consider the Applicant's request or concern but will not tolerate the making demands or communications aggressively or disrespectfully. All Applicants can express any concern or dissatisfaction with NB or the adoption process. (See Complaint Policy, pages 9 and 10.)
22. **Withdraw and Discontinue.** The Applicant is free to withdraw at any point in the process before a child's placement. The Applicant **must** notify their intention in writing to NB. NB has the right to discontinue its services upon written notice to

the Applicant if it uncovers a reason which may lead the agency to believe that continuing the adoption process is not in the best interest of a child to be placed in the Applicant's home or the Applicant has breached the agreement.

23. **Travel.** If foreign travel is required, WE, THE UNDERSIGNED, UNDERSTAND AND EXPRESSLY ASSUME ALL RISKS OF LIABILITY FOR INJURY OR DAMAGES TO OUR PERSONS OR PROPERTY DURING THE TRIP. THE UNDERSIGNED WAIVES ALL CLAIMS ARISING OUT OF THE TRIP, WHETHER CAUSED BY NEGLIGENCE OR BREACH OF CONTRACT, AND WHETHER FOR BODILY INJURY, PROPERTY DAMAGE OR LOSS, WHICH WE MAY HAVE AGAINST NEW BEGINNINGS FAMILY AND CHILDREN'S SERVICES, INC., ITS SUCCESSORS AND ASSIGNS, AND ITS OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS, AND THEIR HEIRS, EXECUTORS, AND ADMINISTRATORS. It is the Applicant's responsibility to consult with your health care provider or the Center for Disease Control about vaccinations, or other travel precautions, before travel.
24. **Hold Harmless.** The Party understands that NB and our orphanage partners in Morocco would not knowingly place a child having medical, emotional, or mental problems without the Party's informed consent. The Applicant understands and assumes the risk that after the child's placement, they could later have a previously undetected or undiagnosed medical condition or emotional problem. Furthermore, the Applicant understands that neither NB nor persons in Morocco can guarantee this child's future medical condition. APPLICANT AGREES NOT TO HOLD NB OR ITS REPRESENTATIVES RESPONSIBLE FOR ANY MEDICAL CONDITIONS THAT MIGHT DEVELOP OR BE DISCOVERED IN THE FUTURE. APPLICANT AGREES TO HOLD NB FAMILY AND CHILDREN SERVICES, INC., ITS SUCCESSORS AND ASSIGNS, ITS OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS, AND THEIR HEIRS, EXECUTORS, AND ADMINISTRATORS HARMLESS FROM PROBLEMS OR LIABILITY RESULTING FROM THE CHILD'S MEDICAL CONDITION.
25. **Entire Agreement.** This Adoption Agreement contains the parties' agreement concerning the adoption services to be provided and supersedes all prior agreements.
26. **Venue.** THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED, AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. ANY CLAIM ASSERTED BY OR AGAINST THE PARTIES TO THIS AGREEMENT SHALL BE HEARD OR DETERMINED IN THE SUPREME COURT IN THE COUNTY OF NASSAU, IN THE STATE OF NEW YORK, OR THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF NEW YORK. THESE ARE THE EXCLUSIVE AND ONLY FORUMS FOR CLAIMS BY OR AGAINST THE PARTIES TO THIS AGREEMENT.

ASSESSMENT OF THE RISK

Our goal at New Beginnings Family and Children Services is to successfully complete an adoption with every Applicant. This occurs most of the time; however, there are those rare occasions when this is not the case. Those risks include a lost referral, undiscovered or undiagnosed medical or emotional conditions, suspension or changes to the program selected, or denial following the initial home study approval. NB works to minimize the risks, and we are, by and large, successful.

- **Lost Referral.** A lost referral happens when new facts or information becomes available, making it difficult or impossible for the child to be placed. Information on the child will continue to come forward before the adoption. If it indicates the child has more significant medical or emotional needs, the referral could be declined if the family has not been approved for or would choose to accept.

A referral may be lost because there is a change in a child's legal status, making them unavailable for adoption. Although rare, some reasons for this would be an error in the child's legal documents or a biological parent or extended family member objects to the child being adopted internationally.

Lost referrals are uncommon, but NB will counsel the family through the grief when they happen. In most situations, there will be another assignment for consideration.

- **Program Suspension or Changes:** Changes in international adoption do happen. The foreign country, the US Department of State, or NB may decide that an adoption program will be suspended, closed, or change requirements. If there is a likelihood that a program will close NB will work with you to determine the best course of action. There is usually a period of uncertainty while facts are sorted out and options become available. Some time and patience will be needed.
- **Undiscoverable or Undetected Medical or Emotional Conditions.** Some medical or emotional problems are *undiscoverable* when the child is placed for adoption. Regrettably, some otherwise healthy children later become ill or sick, or emotional issues can later develop or manifest themselves with age. This risk cannot be avoided.

Some medical or emotional problems are *undetected* until after the child is home. You can reduce this risk of an undetected medical or emotional problem by using an independent medical professional specializing in international adoption. They will review the assignment information and assist you in deciding on the child's medical and emotional health. When a medical specialist in international adoption makes the request, supplemental information is usually available if there is a concern.

- **Denial After the Home Study is Approved:** USCIS, the Central Authority, or possibly a judge, orphanage director, or the child can make an independent determination regarding the adoption. USCIS will discover an undisclosed arrest, which could lead to their denial. Moreover, an arrest, a medical problem, or limited finances approved by NB could be unacceptable by another authority. NB minimizes this risk by considering other standards and sensibilities, and, when possible, we seek pre-approval for an applicant when there is a concern.

During the adoption process, if new information comes to light, such as but not limited to: an arrest, loss of employment or income, allegation of abuse, failing to disclose vital information or a change of circumstance, anger or stress management, emotional maturity, capacity for affection, marital difficulty, and mental stability are some areas that could cause NB to reevaluate its initial approval.

- **In Conclusion:** NB tries to minimize the risk where possible. The risks of undiscovered or undiagnosed medical problems are, by definition, difficult to reduce. However, we seek to obtain quality information on the child, and if there is any concern, seek the help of a specialist.

Just as everyone wants a complete child assessment, it is expected for the adopting family. Families need to be honest and disclose their information. Realize that you are being approved to adopt a child. It is the child's best interest that is being served and protected. Respect the process, conduct yourself with kindness and grace, and the adoption process will be a more enjoyable and enriching experience.

WE HAVE READ THE ABOVE STATEMENT THOROUGHLY AND CAREFULLY. BY OUR INITIALS BELOW, WE ACKNOWLEDGE THAT WE FULLY UNDERSTAND AND ACCEPT THE ABOVE RISKS DESCRIBED THEREIN AND INTEND TO PROCEED IN OUR APPLICATION FOR INTERNATIONAL ADOPTION WITH NEW BEGINNINGS KNOWING THESE RISKS.

All children from Morocco will need the adoption finalized in your State of residence. Credit card payments over 500 are subject to a 3% bank servicing fee. New Beginning has disclosed all anticipated expenses and costs for adoption services. Families will be making payments to NB, the home study agency, USCIS, and the US Embassy in the country. Payments to the cooperating agency are disclosed. There are no "unofficial" adoption fees. Do not make or offer to make payments beyond what is disclosed without consulting NB. Unless approved, do not make or offer to make donations before the placement of the child. Do not make or offer to make any payments to anyone to induce the relinquishment of a child. Do not pay additional fees to expedite the process abroad. Payments to any third party in the adoption process should be reasonable and proportional to the country's standards. If you are asked to pay such additional fees at any time, contact NB immediately.

REFUND POLICY

New Beginnings provides limited refunds. When a refund is available, the amount is 50%. The refund is available for a period of time or until a significant step in the process has been reached, as determined below, after which the refund is not available. A refund would not be available if the Client breaches the contract or fails to follow policies and procedures. New Beginnings may reduce or waive fees for transfer cases where services have been performed.

What follows are the refund policies for various fees.

Application fee of \$350.00 is non-refundable.

Fees due with the Adoption Service Agreement

Home Study fee is 50% refundable if the request is made before the home study social worker conducts an interview or within 120 days of this agreement, whichever is first. The *Supervision of Social Services* is 50% refundable under the same conditions. The *Home Study Update fee* is 50% refundable if the request is made before the social worker conducting an interview or within 60 days of payment.

First Portion of the New Beginnings' fee is 50% refundable if the request is made before the home study social worker conducts an interview or within 120 days of this agreement, whichever is first. There is no refund after this point.

Fees due at home study approval

First Portion of the Program fee is 50% refundable if before the submission of the dossier to Morocco. There is no refund after this point.

Second Portion of the New Beginnings' fee is 50% refundable if before the submission of the dossier to Morocco. There is no refund after this point.

Fees due with the acceptance of the referral

Second Portion of the Program fee is 50% refundable if before traveling to Morocco. There is no refund after this point.

Third Portion of the New Beginnings' fee is 50% refundable if before traveling to Morocco. There is no refund after this point.

Post-Placement Service fee is refundable if a child is not placed or New Beginnings selects not to perform the services. Otherwise, fees are non-refundable.

IAAME fee is non-refundable.

USCIS Application and Processing fee are generally non-refundable. These are not our fees to refund.

Additional Expenses While Abroad and Other Costs Paid in Connection to the Adoption are non-refundable, nor does NB reimburse. These are not NB' fees. NB tries to estimate expenses in connection to travel accurately.

However, there are too many intangibles to forecast these expenses perfectly. Furthermore, unexpected circumstances may occur while abroad that require additional funds. An applicant should recognize that anything from a glitch to a natural disaster might happen while you are abroad. NB does not reimburse these fees regardless of the circumstances. Next, many fees are paid directly to other entities or through NB to other entities on your behalf. For example, USCIS fees, VISA fees, airline tickets, and hotels are all paid for the adoption. NB does not reimburse these fees regardless of the circumstances.

60 Days NB returns all funds to which the Client is entitled within sixty days.

SERVICE PLAN MOROCCO

1. *Identifying a child for adoption and arranging an adoption;* The Court of Minors identifies a child for adoption, the orphanage arranges for the adoption, and NB facilitators help coordinate the process.
2. *Securing the necessary consent to terminate parental rights and adoption;* The Court of Minors secures the termination of parental rights or the abandonment certificate for the child.
3. *Performing a background study on a child* is done by the Orphanage; NB verifies the background study. Families have an opportunity for an independent evaluation. *Performing a home study on a prospective adoptive parent(s) and reporting on such a study;* is done or supervised by NB.
4. *Making non-judicial determinations of a child's best interests and the appropriateness of an adoptive placement for the child;* The orphanage will make a non-judicial determination of whether the placement of the child is in their best interest and the prospective kafala family is the appropriate match. New Beginnings also makes this determination.
5. *Monitoring a case after a child has been placed with the prospective adoptive parent(s) until final adoption;* NB will monitor or supervise the monitoring of the adoptive placement until finalization.
6. *When necessary, because of a disruption before final adoption, assuming custody and providing (including facilitating the provision of) childcare or any other social service pending an alternative placement.* NB will assume custody; provide childcare and other social services pending an alternative placement. In a disruption, NB's Executive Director will notify or cause to notify the orphanage, the Court of Minor that issued Kafala, IAAME, and the US Secretary of State.

NB will adjust the services plan as needed and confirm each service's performance.

COMPLAINT POLICY*

Introduction: New Beginnings (NB) aims to provide the highest quality service. As part of the commitment, NB wants to ensure that all clients can express concerns with the agency or its supervised providers without fear of retaliation. A Client is a birth parent, prospective adoptive parent, adoptive parent, or adoptee who has received or is currently receiving services from NB, including services done by a supervised provider. (The list of Foreign Supervised Providers is on page 8. If NB has not done the home study services, the agency would be a Domestic Supervised Provider.)

Can it be Resolved: If a Client has a complaint or question concerning NB, let us know. We prefer to resolve such issues promptly through normal channels of communication. Discuss it with the Director of Social Services or the appropriate Program Director. For most issues, we can work together to find a positive resolution. If the Complaint is not easily or quickly resolved, the Committee will open a Complaint Report to maintain all correspondence regarding the Complaint, investigation, and response. We will seek a resolution in thirty (30) days.

Will Not Discourage or Retaliate: The NB and its staff will never take action to discourage a Client from, nor retaliate against a Client for making a complaint, expressing a grievance, providing information in writing, or interviews to the Department of State or an accrediting entity on NB's performance, or questioning the conduct of or expressing an opinion about agency's performance.

Formal Complaint: NB offers the above steps as part of our complaint process; however, a Client may submit a Formal complaint to NB to initiate the process or at any time. The Formal Complaint is filed with NB. It must:

- Raise an issue of compliance with the Convention, the IAA, the UAA, or the regulations implementing the IAA or UAA. The Client does not need to identify the issue in the Complaint. NB submits all Formal Complaints to IAAME and the Secretary for review. IAAME or the Secretary will make that determination.
- Be about services done by NB or a foreign or domestic supervised provider.
- Be signed and dated, and provide the circumstance of the Complaint with specific examples. (Signature includes e-signatures.)

The Adoption Committee reviews all Formal Complaints. Once received, the Committee assigns a member as the point of contact. If not previously done, the point of contact will open a Complaint Report.

All Formal Complaints: NB informs the accrediting entity and the Secretary of all formal complaints over the preceding six months, regardless of the resolution. The final Complaint Report also includes the resolution and an assessment of any discernible patterns in complaints received. If a discernible pattern is identified as part of our Quality Improvement Process, NB will make or consider making systemic changes to improve its services.

Timelines: Within five (5) business days of receiving a Formal Complaint, the point of contact will confirm receipt. Within thirty (30) days of receiving the Formal Complaint, the Adoption Committee will take necessary and reasonable steps to investigate the Complaint, including interviews with the Client, staff, or supervised providers. The Committee will respond in writing with a proposed solution or determination. NB provides an expedited review of any complaints that are time sensitive or involve allegations of fraud.

The 30-day response includes:

- A summary of the facts and circumstances.
- Any specific finding of the investigation.
- When possible, actions NB will take to resolve or mitigate the issue.
- Procedures to follow if the Client is dissatisfied with the response.

If the Complaint is resolved, NB enters the resolution in the Complaint Report and prepares the submission to the accrediting entity and the Secretary. If the Client is unsatisfied, they may file the Complaint directly to the accrediting entity and the Secretary (contact information below).

Further Review In the alternative, the Client may request a further review. The request must:

- Be written or emailed.
- Include the objection and desired resolution.
- Submit within twenty (20) days of receiving NB's response to the Formal Complaint.

NB's Adoption Committee, and when appropriate, members of the Board of Directors or outside experts, will:

- Confirm receipt of the request.
- Review the request and the Complaint Report.
- Conduct a further investigation as needed.
- Respond in writing within twenty (20) days.

If, after further review, NB's decision has not changed to where an agreed resolution is reached, the Client is informed they may submit the Complaint to the accrediting entity and the Secretary.

Direct Contact Information: If after submitting a Formal complaint and completing the process above without a satisfactory resolution, a client may file directly with the US Department of State's "[Hague Complaint Registry](#)" or at [Adoption.State.gov](#); the accrediting entity, [IAAME](#); and our State's licensing contact information; see below.
